The Changing Face of a Legend

DOLLS

The new face of Sindy!

1986 sees Sindy as more grown up, more fun and enjoying her exciting lifestyle even more than before. That smile shows the happiness of her new dream world now shared with her new friends Mark and Marie too! Yet those fabulous looks which have made her the preferred doll to millions of collectors the world over remain. From the elegance of her Romance 'n' Roses outfit to her colourful outfits as Funtime, Sindy shows in 1986 her determination to continue to capture the hearts of little girls everywhere.
